Republican Liberty Caucus of Central East Florida Endorses Kristine Isnardi for Brevard County Commission

In the hotly contested race to replace Andy Anderson as Brevard County Commissioner in District 5, the Republican Liberty Caucus of Central East Florida is proud to endorse Kristine Isnardi. Kristine is a registered nurse, wife and mother of six children and a former Palm Bay City Council member.

Kristine Isnardi stands head and shoulders above her competition in stature, governing philosophy and experience. In her two terms on the Palm Bay City Council she distinguished herself as a no nonsense manager and fiscal conservative. Kristine Isnardi believes in everything the RLC stands for: Limited Constitutional government, keeping taxes as low as possible, prioritizing spending by identifying and funding core functions of government first, reducing government regulation, and personal freedom and responsibility.

At our recent candidates forum Kristine overwhelmingly outclassed her opponents. She had a significantly greater command of the issues and offered clearly enunciated solutions to the problems facing Brevard County. In this race the choice couldn't be any clearer. Elect Kristine Isnardi, Brevard County Commissioner, District 5!

In Liberty!
